Independent Auditors' Report

To the Board of Directors of Miami Design Preservation League, Inc.:

Report on the Financial Statements

We have audited the accompanying financial statements of Miami Design Preservation League, Inc., which comprise the statements of financial position as of March 31, 2015 and 2014, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Miami Design Preservation League, Inc. as of March 31, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following summarizes the most significant accounting policies used in the preparation of the Organization's financial statements.

Basis of Accounting — The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Basis of Presentation — The Organization presents its financial statements in accordance with ASC 958, "Not-for-Profit Entities," issued by the Accounting Standards Board. Under ASC 958, MDPL is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted, as follows:

Unrestricted

Net assets which are free of donor-imposed restrictions; all revenues, expenses, gains, and losses that are not changes in permanently or temporarily restricted net assets.

Temporarily Restricted

Net assets whose use by the MDPL is limited by donor-imposed stipulations that either expire by passage of time or that can be fulfilled or otherwise removed by actions of MDPL.

Permanently Restricted

Net assets whose use by the MDPL is limited by donor-imposed stipulations that neither expire with the passage of time nor can fulfilled or otherwise removed by actions of MDPL. There are no permanently restricted net assets as of March 31, 2015 and 2014.

Cash — Cash consists of cash in several financial institutions with varying account types from checking accounts to savings accounts.

Restricted Cash — As of March 31, 2015, restricted cash consists of \$57,902 of unused raised funds for the purpose of the construction and development of the Organization's founder, Barbara Baer Capitman Memorial (the Memorial) as well as \$30,000 of unused raised funds for the purpose of the maintenance of the Memorial.

Revenue Recognition — In accordance with ASC 958, contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support depending on the existence and/or nature of any donor restrictions. Contributions are recognized as revenues when received or unconditionally pledged. All contributions are available for unrestricted use unless specifically restricted by the donor. For the year ended March 31, 2015 and 2014, there are \$205,388 and \$87,595, respectively of revenues that were restricted in purpose and are included in the total other support and revenue.

Membership dues are recognized as revenue for financial reporting purposes in the year the fees are received in as much as the dues are, in substance, contributions; and related services having a direct identifiable cost to MDPL are not significant.

Contributed Services and Donated Facilities — The nature and extent of contributed services received by MDPL vary and range from limited to active participation of many individuals in MDPL's service programs. ASC 958 requires that contributed services be recognized if the services received either create or enhance non-financial assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. A significant amount of contributed services do not meet this recognition criteria and are not reflected in the accompanying statement of activities.

A larger number of people have contributed various services to MDPL which meet the recognition criteria of ASC 958. These services were used to support the Art Deco Weekend program services. Contributed services meeting the recognition requirements of ASC 958 were valued at \$647,057 and \$630,199 in the statement of activities for the years ended March 31, 2015 and 2014, respectively. MDPL also received in-kind donations, such as material and advertisements, which are included in the statements of activities at their fair market value.

Art Deco Weekend—An important education event is the annual Art Deco Weekend street festival which celebrates and promotes the unique history and architectural heritage of Miami Beach, Florida and the Art Deco era. The festivities include parades, local and national entertainment personalities, tours of the Art Deco District, and exhibition featuring Miami Beach history, a lecture series, a film festival, and vendors selling Art Deco memorabilia.

The majority of the funds needed to orchestrate this event are obtained from local government grants, corporate sponsorships, and the participation of business membership.

Grants and contributions receivable — Contributions due in less than one year are recorded at their net realizable value upon receipt. Contributions due in more than one year are recorded at fair value on the date received. An allowance for doubtful collectability is provided based on management's evaluation of potential uncollectible promises at year end. No allowance was deemed necessary as of March 31, 2015 and 2014.

Inventory — Inventories, consisting of retail souvenirs, collectables and educational materials are stated at cost, determined on the first-in, first-out basis, (FIFO), which is not in excess of market.

Property and Equipment — Property and equipment purchased is recorded at cost. Donated property and equipment is recorded at fair market value, at the date of the gift, as unrestricted net assets unless its use is restricted by the donor. Depreciation is computed using the straight-line method over the estimated economic useful lives of the respective assets ranging from three to five years. Maintenance and repairs which do not extend the lives of the respective assets are expensed in the period incurred.

Fair value measurement — The Organization's financial instruments consist primarily of cash, grants receivable, accounts payable and bank loan. The carrying amount of these items approximate their fair value due to the short-term nature of such instruments.

Income Taxes — MDPL is registered with the Internal Revenue Service as a non-profit organization under the Internal Revenue Code Section 501(c)(3) and, accordingly, is generally exempt from income taxes. As such, the Organization is not taxed on income derived from its exempt functions.

Revenue derived from sources considered to be "unrelated business income" by the Internal Revenue Service is subject to income tax. The amount of income tax for unrelated business income is not material to these financial statements.

Functional Expenses — Expenses are charged to the Program Services and Administration based on direct expenditures incurred. Any expenditures not directly chargeable is allocated based on units of service (for both MDPL's personnel and volunteers) or the utilization of MDPL's facility.

Use of Estimates — The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events — The Company has evaluated subsequent events from the balance sheet date through October 17, 2017, the date at which the financial statements were available to be issued.

Reclassifications — Certain reclassifications have been made to the prior year financial statements in order for them to conform with the current year presentation.
